

Dear Authors,

We would like to inform you that **the due date for the submission of full papers to the ICTR '17 Congress has been extended to April 28th, 2017.**

Paper submission guidelines are available at the Congress website (www.ictr.gr) and submission is managed by the online Congress platform.

We also highlight that at least one author should register by July 15th 2017, for a paper to be included in the proceedings; while a single author registration is valid for a maximum of two papers. The registration system will be online via the Conference website as of 28th of April 2017. Early bird registrations apply until June 15th, thus don't miss the chance to register at a more economic rate.
