

Dear Authors,

We would like to inform you that **the due date for the submission of full papers to the ICTR '17 Congress has been extended to May 21st, 2017 at 16:00 CET**. The online submission system will close after this deadline and submitted abstracts that do not correspond to a full submitted paper will be automatically deleted.

Paper submission guidelines are available at the Congress website (www.ictgr.org) and submission is managed by the online Congress platform.

We also highlight that at least one author should register by July 15th 2017, for a paper to be included in the proceedings; while a single author registration is valid for a maximum of two papers. The registration system will be online via the Conference website as of 21st of May 2017. Early bird registrations apply until June 15th, thus don't miss the chance to register at a more economic rate.
