

Announcement

for the Extension of Deadline for Submission of Full text Papers

of the 9th International Congress on Transportation Research

October 24th -25th, 2019 Athens, Greece

www.ictr.gr

Dear authors,

We would like to inform you that the submission system for the full-text papers, which is available through the conference website www.ictr.gr as well as through the link <https://easychair.org/> , will remain open **until 31 May 2019.**

Guidelines on the format of full-text papers are available [here](#) .

Selected high-impact papers will be considered for publication in international scientific journals (Special Journal Issue), following an additional peer-review process. Title of journals will be announced on time.

For more information please visit the ICTR website www.ictr.gr.
