

## Guidelines for Oral Presentations

Dear Authors,

The oral presentations of the papers at the Conference should be content oriented and must follow the guidelines below. The oral presentation should be based on the final paper, as formulated to its last version taking into account the reviewers comments.

### 1. Oral Presentation Template

A PowerPoint template for the oral presentation is available at the Congress website [www.ictr.gr](http://www.ictr.gr) under the section “Announcements”.

Please use this template **only!**

The language of presentations is **English**, regardless of the language of the full paper (English or Greek).

### 2. Duration of Oral Presentations

In total, 15 minutes have been allocated in each presentation at the ICTR program. This time includes presentation and time for answering the questions. Thus, the presentations must be strictly 10 minutes.

Time for questions/answers will be available at the end of each session.

### 3. Oral Presentation file submission

The presentation file must be uploaded by the corresponding author by the **15<sup>th</sup> of September** at the ICTR EasyChair in PDF format.

## Guidelines for Poster Presentations

Dear Authors,

The poster presentations of the papers at the Conference should be content oriented and must follow the guidelines below. The poster presentation should be based on the final paper, as formulated to its last version considering the reviewers' comments.

### 1. Poster Template

The Conference's template for posters is available at the Congress website [www.ictr.gr](http://www.ictr.gr) under the section "Announcements".

Please use this template **only!**

The language of physical posters is **English**, regardless of the language of the full paper (English or Greek).

### 2. Poster Presentation & printing

The poster file should be physically printed to be hanged on the dedicated poster area of the Conference. The poster's dimension should be A0 (841 mm x 1189 mm) and its layout should be vertical.

Please kindly note that the Conference is NOT providing any printing support.

Specific slots have been allocated in the program for the physical posters presentations.

### 3. Poster file submission
